

PROJECT LOCATION

Rockville, MD

CLIENT

Federal Realty Investment Trust

SCOPE

New Building
4,700 SF

DESCRIPTION

Worked with the Owner to develop costs and schedule to construct an independent pad building to retail specifications. Building was located in an active parking area, requiring coordination with shopping center activities for access, staging, and providing new utility services. Successfully met stringent deadlines and tenant requirements.

ARCHITECT

Rounds VanDuzer Architects PC
Falls Church, VA
